

## Come and Join US!

**Rotary International, Zones 23 & 24 and the U.S. Department of State invite you to join them for a special social event and dinner at Tillicum Village, Tuesday October 1, 2002.**

Your adventure departs Seattle and begins with a harbor cruise around one of the world's busiest seaports. As you continue across Puget Sound, you will view magnificent scenery and perhaps encounter sea lions, whales, or soaring eagles.

Tillicum Village's "longhouse" is styled in the fashion of the ancient dwellings of the North Coast Indians. Tillicum Village welcomes tens of thousands of visitors annually and has hosted leaders from around the world.

You will savor delicious fresh Pacific salmon prepared on cedar stakes over alder fires using the traditional Northwest coast Native American method.

The Tillicum Village dinner is included for conference participants. Guests are welcome to attend at a cost of \$70. Please see registration form for details.

*See reverse side for conference lodging and transportation details.*
