

***Organization of
American States***

***Mine Action Program
(AICMA)***

Regional Planning and Priority Setting

Mobilizing Political Momentum and Commitment

- **OAS General Assembly Resolutions in support of regional efforts**
- **OAS Annual Report to UN Secretary General**
- **States Parties Meetings and Intersessional Working Group Meetings**
- **Regional Annual Meetings (Miami / Managua / Lima / Quito)**

OAS Portfolio as Mechanism for Communicating Short Term Needs

- **Focus on annual / national mine action work plan**
- **Compliment to UN Portfolio for donor awareness**
- **Provides regional overview**

Regional Cooperation Beyond the Portfolio

- **Planning support for mine clearance / stockpile destruction / training / standards**
- **Mine Risk Education (materials / meetings / shared experience)**
- **Victim Assistance (resources / cooperation with national infrastructure)**
- **Management Information Systems (Integration of IMSMA as both national and regional mechanism for mine action information management)**

External Cooperation

- **South / South cooperation opportunities (training, experience, Management Information Systems)**
- **Participation and Leadership in International for (Standing Committee Work / extra regional deployment of experts)**
